

Incident Management and Reporting Policy

1. Introduction

1.1 Purpose

This Policy supports DryFlush Australia to apply the Incident Management NDIS Practice Standard.

1.2 Policy Aims

DryFlush Australia is committed to ensuring that each participant is safeguarded by the provider's incident management system, ensuring that incidents are acknowledged, responded to, well-managed and learned from.

1.3 NDIS Quality Indicators

In this regard, DryFlush Australia aims to demonstrate each of the following quality indicators through the application of this Policy and the relevant systems, procedures, workflows and other strategies referred to in this Policy:

- (a) Describe how the provider manages incidents, or provide a copy of your incident management process, as relevant to the support delivered for this registration group, including any relevant material provided to participants.
- (b) The process must meet the requirements of the *National Disability Insurance Scheme (Incident Management and Reportable Incidents) Rules 2018*. The process should be relevant (proportionate) to the size and scale of the provider and to the complexity of the supports being delivered.

1.4 Scope

- (a) This Policy applies to the provision of all services and supports at DryFlush Australia.
- (b) All permanent, fixed term and casual staff, contractors and volunteers are required to take full responsibility for ensuring full understanding of the commitments outlined in this Policy.
- (c) The relevant persons specified in the column corresponding to a procedure described in this Policy have the responsibility to implement the relevant systems, procedures, workflows and other strategies referred to in the relevant procedure.

- (k) if an investigation is undertaken by the provider in relation to the Incident - the details and outcomes of the investigation; and
- (l) the name and contact details of the person making the record of the Incident.

6.2 Keeping records in relation to Incidents

A record made for the purposes of section 6.1 must be kept for 7 years from the day the record is made.

6.3 Collection of statistical information relating to Incidents

DryFlush Australia must collect statistical and other information relating to Incidents to enable it to:

- (a) review issues raised by the occurrence of incidents;
- (b) identify and address systemic issues; and
- (c) report information relating to complaints to the NDIS Commissioner, if requested to do so by the NDIS Commissioner.

Results from this review will be reviewed by the Principal and used to:

- (d) inform training by including a review of Incidents (on an anonymous basis) in relevant Worker training activities; and
- (e) inform service delivery by taking the learnings from training activities.

7. Privacy and Confidentiality

DryFlush Australia will take all reasonable steps to ensure that information in connection with an Incident (including all records, correspondence files and the Incident register) including any investigation conducted in connection with an Incident is kept confidential and only disclosed if required by law or if the disclosure is otherwise appropriate in the circumstances. Without limiting the generality of the above, DryFlush Australia considers it would be appropriate to disclose such confidential information in the following circumstances:

Approved By:	The Board of DryFlush Australia Pty Ltd	Version	1
Approval Date:	November 2022	Next Scheduled Review	November 2024

- (a) The disclosure is to the Principal, Incident Manager, an employee, contractor or other member of staff of DryFlush Australia who is directly or indirectly involved in the Incident (including for the purposes of affording procedural fairness to such person(s));
- (b) The disclosure of the Incident related information is to a lawyer or other advisor of DryFlush Australia;
- (c) The disclosure of the Incident related information is reasonably required to enable the Incident to be properly investigated; and
- (d) The disclosure of the Incident related information is to the NDIS Commission, the police or otherwise required by law.

8. Training procedures

- (a) All staff will be trained on the Incidents Management System during their induction, and as part of ongoing refresher training and/or when processes change.
- (b) As part of that training, all Workers will be trained and must understand:
 - (1) the Incident Management System;
 - (2) the definition of a Reportable Incident; and
 - (3) the procedures they must follow for reporting all Incidents to the organisation and an external body (if required).
- (c) The Principal and Key Management Personnel may undertake training in conducting serious Incident investigations including investigating Incidents that may involve a criminal element and in applying procedural fairness.

9. Continuous improvement of the Incidents management system

This Incidents Management System including the incident management process in section 4 will be reviewed and evaluated by the Principal and Key Management Personnel at least annually to ensure its effectiveness. This will include:

- (a) review of Incident Report Forms held in relation to Incidents;
- (b) Client and Worker feedback about the effectiveness of the Incidents Management System; and
- (c) implementation of a continuous improvement plan based on the review and feedback received.

10. General

10.1 Inconsistency

If and to the extent that the terms of this Policy are or would be inconsistent with the requirements of any applicable law, this Policy is deemed to be amended but only to the extent required to comply with the applicable law.
